

Fire Chiefs Report

February 2025

FYI

Happy February, “February is the bridge that connects the promises of the past year with the hopes of the year ahead.”

Many of us started the new year off with a dose of either Covid-19, the Flu or some type of bronchitis, to go along with two winter storms, to say January was a challenge is an understatement!

We’ve completed and submitted all the required information for reimbursement from FEMA for our expenses from Hurricane Helene.

I anticipate Quint 13 coming home within the next 2-3 weeks, I had to reschedule the inspection trip to Monday, February 17th, due to being sick February 4th. I would say from pictures and videos; it’s about 95% complete.

The LP Gas firefighting prop is scheduled to be completed and installed on the training ground the second week of March. The flexibility of this prop, and gas piping will give us flexibility for other props, like a car fire prop are unlimited.

A few important dates are coming up:

April 24, 2025 - GC SPD Quarterly Meeting (Piedmont Park FD)

May 15, 2025 - SCSPD Leadership Program @ Doko Manor
